aidaalbusaidy The rhythm of this story goes as follows. Rashid is a young man who calls me mama Aida. A young brother to me and I try when I can to mentor people like Rashid around me as much as I can.

Rashid is also one of the few young creative minds who never sits still. Always active, passionate, dedicated and dependable. 21 months ago Rashid collaborated with Ajmal Perfumes. His idea was simple - let's create a perfume by the community for the community. The group consists of young men and
