HEAVEN SCENT

Ajmal, with its long history in the art of perfumery in the Middle East, is synonymous with high-quality beauty products and fragrances for both the body and home. Following the launch of its Signature Series, Ajmal introduces Oudesire, its first unisex and most luxurious scent yet. The fragrance combines the sultry blend of Oudh and musk with floral top notes of orange blossom, rose, jasmine and bergamot, with a spicy and fruity core of ginger, raspberry and cassis.
