ABIA, scent of a woman by Ajmal

ABIA, the must-have fragrance for the strong liberated woman, this Eau de Parfum from Ajmal captures the very heart.

Intensely feminine and with an air of unmistakably clean sensuality, this unique scent burst opens with the freshness of Bergamot and lively citrus essence of Lemon infused with the captivating touch of Pink Pepper. Spicy Cardamom and aromatic Violet provides just the right amount of balance and is well complemented with Patchouli and Vetiver, intoxicated further with Gaicwood, Cedar wood and heady Musk.

"Bold, irreverent, and self-assertive is the best way to describe Abia. We created this stimulating, aromatic and powerful fragrance in order to create the perfect solution for the woman who is elegant, charming and reflects self-confidence," said, Abdulla Ajmal, General Manager, Ajmal Perfumes.

"Creating and designing ideal one-of-a-kind fragrances is something brand Ajmal is known for. By mixing the characteristics and charisma of the wearer, Ajmal has for the first time evoked the emotions of women who ooze poise and perfection, through this unique Eau de Parfum," he added.
